

Program Statement

ACC Community Connections- Wisconsin Court East is a 4-bed Adult Family Home for males 18 years of age or older, who have a documented mental health diagnosis (Emotionally Disturbed/ Mental Illness), suffer from substance abuse issues (Alcohol/Drug Dependent) and/or who require assistance with community reintegration (Correctional Clients).

ACC Community Connections is located at 496 Wisconsin Court in Fond du Lac, WI. Conveniently located just steps from the Fond du Lac County public transit route; this location also provides accessibility to the many Fond du Lac area community mental health and employment resources.

Residents will have access to an array of services including, but not limited to:

- Medication monitoring
- Staff on site 24 hours a day, 7 days a week, 365 days a year
- Groups activities derived from evidence-based practices
- Employment mentoring
- Financial education
- Housing assistance
- Resource education and discovery

Mission

- To employ culturally appropriate strategies, including a trauma informed approach, in order to be responsive to the individual needs of the population served.
- By encouraging communication and collaboration with available community programs we promote the transition toward independence.
- For each resident, there are individualized treatment plans that are reviewed and revised as needed beginning at time of admission and continuing until program exit.
- Seamless services and treatment provide assurance that when residents transition into the community, their discharge from our services will result in successful independent living.
